Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I write to you requesting funding for the City of Kennesaw Neighborhood Improvement Project in fiscal year 2025. The entity to receive funding for this project is the City of Kennesaw, located at 2529 J.O. Stephenson Avenue, Kennesaw, GA 30144. This funding would be used to resurface existing streets, install sidewalks, and improve drainage in four neighborhoods immediately surrounding the downtown area. The project is an appropriate use of taxpayer funds because this project does not qualify for funding through other federal programs, such as the Community Development Block Grant program, and the benefits to the city and surrounding economy would be outsized compared to the upfront cost of these improvements.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Barry Loudermilk
Member of Congress
