Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting community project funding for the Lake Acworth Master Plan implementation in fiscal year 2022.

The entity to receive funding for this project is the City of Acworth and the project is located at 1138 Highway 20 Spur, Cartersville, Georgia 30121.

This funding would be designated for a joint project between the City of Acworth and the Acworth Lake Authority that will include a network of multi-use trails around Lake Acworth and improvements to Cauble Park, Overlook Park, and the existing Highway 92 bridge.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Barry Loudermilk
Member of Congress
