and Urban Development, and Related Agencies  
Committee on Appropriations  
U.S. House of Representatives

Dear Chairman Womack and Ranking Member Quigley:

I am requesting funding for the Cobb International Boulevard reclamation project in fiscal year 2025.

The funding would be used to complete a full-depth reclamation of Cobb International Boulevard that would require demolishing the existing road, creating a solid foundation with gravel and concrete, pouring fresh asphalt over the foundation, and repainting/restriping the road after the asphalt cures. The requested amount of \$8,000,000 will repair significant damage to the structural integrity of the road. Cobb International Boulevard is the City's largest economic corridor that includes dozens of distribution centers, manufacturing warehouses, and other industrial businesses that rely on fully operational infrastructure.

Thank you for your consideration of this request.

Sincerely

Barry Loudermilk  
Member of Congress
