The Honorable Mike Quigley

Subcommittee on Transportation, Housing,  
and Urban Development, and Related Agencies  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Womack and Ranking Member Quigley:

I am requesting funding for the Cobb Parkway at Windy Hill Road Grade Separation project in fiscal year 2025.

The funding would be used to enhance the intersection by constructing a new interchange to reduce traffic congestion and increase safety. The requested amount of \$2,400,000 will enhance safety and operations for major developments, including Dobbins Air Reserve Base, and will alleviate traffic congestion on Interstate 75. The project is within an area of significant military and economic interest to the County and the State of Georgia. It will correlate to an annual benefit of nearly \$6 million and will provide significant regional connectivity.

Thank you for your consideration of this request.

Sincerely

Barry Loudermilk  
Member of Congress
