High Schools and Home Schools
Principals and Art Teachers

Dear Educators,

I would like to take this opportunity to invite your students to participate in the 42nd Annual Congressional Art Competition.

Each spring, the Congressional Institute sponsors a nationwide high school visual art competition to recognize and encourage artistic talent within each Congressional District. This contest is open to high school students only; however, students who attend a school with the grade levels 7th – 12th on the same campus may also apply.

To showcase the remarkable artistic talent of students throughout the 11th District, Cartersville's Downtown Gallery will publicly display all submissions for this year's Congressional Art Competition from March 13th through March 17th, 2023. A formal reception will be held at the Downtown Gallery Friday, March 17, 2020, at 6:30 p.m. to recognize the 2023 participants and award recipients, as well as our supporting partners. The first place winner from each Congressional District will have their artwork displayed in the United States Capitol for an entire year.

All entries must arrive no later than Friday, March 10, 2023 at 5:00 p.m. My office will be sending additional information as is it available.

The Congressional Art Competition provides an outstanding opportunity for students to showcase their artistic talents, and I look forward to reviewing the submissions from your school. If you have additional questions, please email Phyllis Nall at phyllis.nall@mail.house.gov or Crystal Gilbert at crystal.gilbert@mail.house.gov You may also call my office anytime at (770) 429 -1776.

Sincerely,

Barry Loudermilk
