The Honorable Kay Granger
Ranking Member
House Committee on Appropriations

Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for Reinhardt University's water treatment facility project in fiscal year 2022.

The entity to receive funding for this project is Reinhardt University located at 7300 Reinhardt Circle, Waleska, GA 30183.

The funding would be used to upgrade Reinhardt University's water treatment facility. Reinhardt University is the only entity in the city of Waleska that has the infrastructure to offer such services, as it operates and maintains a water treatment facility. In order for the university to grow its on-campus student body, it must upgrade its water treatment facility. These upgrades will also put the university in a position to expand its facilities in the future and partner with the City of Waleska to offer services to residents and businesses.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Barry Loudermilk
Member of Congress
