Infrastructure

Dear Chairman DeFazio and Ranking Member Graves:

I am requesting funding for the South Barrett Parkway Reliever in surface transportation reauthorization legislation.

The project sponsor for this project is Cobb County and the project is located at the intersection of 540 Greers Chapel Drive Kennesaw, GA 30144 and 449 Roberts Court, NW Kennesaw, GA 30144.

The funding is designated for a road realignment project to give drivers an alternate route around Barrett Parkway, one of the busiest corridors in Cobb County.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: reducing congestion along Barrett Parkway by more than 22% by decreasing peak hour traffic and improving connectivity to Town Center's prime areas of growth.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Barry Loudermilk
Member of Congress
