and Urban Development, and Related Agencies
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Womack and Ranking Member Clyburn:

I am requesting funding for the Bells Ferry Road over Noonday Creek Bridge replacement project in fiscal year 2026.

The funding would be used to replace the existing bridge over Noonday Creek with a modern structure that meets current standards. This will feature an increased length and width to accommodate a third lane for more acres to travel across the bridge. The bridge replacement will allow the roadway to continue to function as the main connection along the north-south urban collector corridor. The requested funds of \$5,000,000 will go towards construction costs of the bridge.

Thank you for your consideration of this request.

Sincerely

Barry Loudermilk
Member of Congress
