The Honorable James Clyburn
Ranking Member
Subcommittee on Transportation, Housing,
and Urban Development, and Related Agencies
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Womack and Ranking Member Clyburn:

I am requesting funding for the George Busbee Parkway, right of way and construction phase, in fiscal year 2026.

The funding would be used to develop improvements along George Busbee Parkway from Barrett Parkway to Chastain Road. George Busbee Parkway is a major economic development corridor within the Town Center CID. This roadway is a key north/south and provides critical access to I-75, I-575, and the Northwest Corridor Managed Lanes Systems. These improvements would include restriping and improving the four-lane divided roadway, dedicated right turn lanes, and sidewalks. These improvements will also include vehicular lighting upgrades and pedestrian lighting. This project will be instrumental in providing connectivity for the CID and implementing smart infrastructure solutions for the region. The project also has the potential to be a catalyst for investment, redevelopment, and activation along this corridor and for all Northwest Georgia

Thank you for your consideration of this request.

Sincerely

Barry Loudermilk
Member of Congress
